Defendant. )

Case No. 2:21-cr-00006-1

**UNOPPOSED MOTION TO CONTINUE DATE FOR SENTENCING HEARING**

Mr. Lefebvre, by his attorneys, requests a continuance of the sentencing hearing scheduled for November 28, 2022. (And a continuance of the November 18, 2022, filing date for sentencing memoranda, as well.) We ask for a two-weeks continuance.

**Reasons for the request**

The defense has recently received medical records we think are necessary to be included in the presentence report. (We received them from Mr. Lefebvre's mother. We knew that the Probation Office had spoken to Mr. Lefebvre's mother and had thought that the medical information had been conveyed to Probation. But the records themselves were received just recently by the Federal Defender Office.) The records support the defense position regarding factors under 18 USC §3553(a) that we hope the Court will consider. We seek a continuance of approximately two weeks, so Probation and the government have time to review these before memoranda are filed. Mr. Lefebvre is detained; he agrees with the continuance request.

The government does not object, per Mr. Drescher.
